### Launch of Fareham Community Hospital Taskforce

The newly elected MP for Fareham – Suella Fernandes has taken a personal interest in the future of Fareham Community Hospital and set up a ‘Taskforce’ to maximise the utilisation and services delivered there.

Morgan Sindall Investments, through its subsidiary Community Solutions Partnership Services, has Property Manager, Karen Andrew and General Manager, Tina Tompkins as part of this group along with the local CCG and other service providers.

Jeremy Hunt, Secretary of State will be paying a visit to the site on 12th Feb, and will meet members of the Taskforce and unveil a plaque to publicise the newly acquired status of the hospital as a dementia friendly premises.
